30 March 1967

5. Revision of Quarterly Supplement  
to DCID No. 1/3  
(Memorandum for USIB,  
24 March)

During the Board consideration of this item, Admiral Taylor suggested to the Members that they continue to search for means to make the Priority National Intelligence Objectives (PNIOs) more useful and meaningful, particularly in regard to the question of allocation of intelligence resources to meet PNIO requirements.

Following the discussion the Board approved the subject paper as amended.\*

Executive Session
